MESSAGE FOR THE MANAGING DIRECTOR

I welcome you to Aisha Institute of Modern Science and Degree College for girls. Our institute has a reputation of providing quality education and it also maintains high moral standards. Education is the base of all progress. It is for this very reason that we forayed into education about 13 years ago. The progress is possible only, if men and women are equally well-educated. Islam makes it mandatory for all men and women to get education but women education has been neglected in our country. Over the years the college has achieved continuing success in serving the cause Of female education in this area.

We are committed to inculcating in all our students, strong ethical values of integrity, respect and discipline as well as clarity in thought and decision making ability as a life long process, which a good education fosters. We are confident that this college is the best place for your daughter. We welcome your active interest and involvement the progress and activities of your daughter. We look forward to your continuous support.

Sincerely

HAJI SAADAT KHAN
Managing Director

MESSAGE FROM THE PRINCIPAL

The Aisha Institute of Modern Sciences was established in 2003. The college provides educational opportunities to the young women. Maximum opportunities are provided for participation in extra curricular activities, such as debates, dramatics and literary competitions and so on.

Educational trips and study tours are also arranged.

I am confident that Aisha college will continue to provide high quality education at an affordable cost. Education is very necessary for women. No other religion has given such a place and status to women, the way our religion has provided them.

An educated woman only can be regarded as responsible for the progress and betterment of coming generation.

For each and every individual, the lap of mother is the first learning place. Prophet Muhammad (PBHU) said a literate person and an illiterate person can never be considered equal. I request you all, to educate your women, which is the true source of enlightenment, spread the light of knowledge every where.

Education is the basic right of every individual and it is such a precious ornament that it can never be stolen. It was due to knowledge and education that God preferred human beings to angels and gave them priority.

ZAHIDA PERVEEN
Principal
M.A History

MESSAGE FROM THE VICE PRINCIPAL

It is our commitment that every student of Aisha Institute of Modern Science is provided with the educational environment needed to achieve personal excellence inside and outside the classroom. Staff has high expectations for students from the minute they enter the college. Our first priority is academic success. We are fortunate to have talented, highly committed teachings staff here to ensure the learning environment of our students is the best it can be.

A wide range of co curricular activities are available at Aisha college. All the students are taught the skills and values necessary for success in education, life and work. They leave Aisha as literate, numerate, well educated citizens who have the capability, confidence and independence to make positive contribution to our society.

We firmly believe in excellence and discipline which is not an act but a habit!

NOTE: students are advisid to follow the regulations of the institute. Fine will be imposed for breaking rules and disruption the discipline fo the institute. Parents are requested to follow the progress of their child, and to see that they do not continuously break rules, for which they may be asked to leave or be expelled in extreme cases.

COLLEGE SELECTION OF HEAD GIRLS

As discipline is the bridge between goals and accomplishment, and it always need commitment and dedication. For this purpose, we hold a proper election for the selection of head girl, through which we also polish the activities and interests of students by respecting their opinions and votes.

OATH CEREMONY

The arrangement of proper ceremony for oath taking is carried out for the purpose of setting their goals and vision and reminding them their duties as responsible and active members.

SESSION ASSEMBLY

To come together for a new beginning to encourage & promotes the excellence of our generation. To keep them stand with encouragement. The deserving students achieve the prizes and rewards for their hard work and success.

MORNING ASSEMBLY

Morning Assembly is held on regular basis to start the day with the holy name of Allah and a three minutes talk to the students to make them bold and courageous.

PARENTS TEACHERS MEETING

A parent-teacher conference is a short meeting and conference between teachers and parents of students to discuss children's progress at college and find solutions to academic or behavioral problems.

PROCTORIAL BOARD

1. Peaceful and congenial environment is very important for an educational institute
 2. Good discipline brings congenial environment and peace in an institute.
 3. To maintains strict disciplinary standards in the institute, the proctorial board has to play a major role.
- The board is headed by a disciplinarian lecturer from amongst the teaching staff and a senior student acts as the head girl of the institute with a team of proctors. Their duties are as under:
- To insure that proper discipline is maintained during the study hours.
 - To keep the chief proctor / head girls informed about irregularities, indiscipline. Disturbance and indecent behavior of the students.
 - To ensure that students are in proper uniform and representing the institute in an upright manner are all occasions / functions.
 - Last, but not the least, their self discipline should be exemplary.

LIBRARY

The college library basically lends books to staff and students having their membership. Membership is the Pre-requirement for availing the lending facilities.

MEMBERSHIP

Regular staff and students of the college are eligible for membership.

At a time degree student of the college can barrow 3 books at the most.

An intermediate student can borrow 2 books at the most.

The student can retain the book for 2 weeks, which can be renewed for a further period of 2 weeks, if so presented on the due date.

Rs. 50 per book is charged as fine in case of late return of books from the students.

In case fo loss or damage to a book, market rates charged from borrowers.

General and text books are issued on first come first serve basis.

TRANSPORT FACILITY

If any students forgo the use of college transport, she must serve one month written notice before leaving the college transport. The college transport is not compelled to drop students at any other place, than their own residence, without prior permission.

COLLEGE UNIFORM

UNIFORM WILL BE AVAILABLE AT THE COLLEGE

Students are expected to wear full uniform.

The uniform should be clean, properly ironed and shoes well polished.

All kind of jewelery is prohibited.

Violation of uniform is punishable by a fine of Rs. 50 per day.

CANTEEN

The college has a canteen for snacks, soft drinks, and simple lunch. It also has no stock, stationery, educational materials and some items of daily need. Rates are controlled by an incharge of canteen.

LEAVE POLICY

Only one day leave in a month will be granted to a student. More than one day, parents have to see the principal in person.

No half-day leave is allowed unless the parents of the students request in person.

No medical leave will be granted on the basis of medical certificate, unless the parents of the student request in person.

No leave will granted during examination and practical.

Any students found leaving the college premises without permission, would be dealt with severally. Her parents will be informed.

During the college hours, no student can leave the college premises except by written permission of the principal.

No student is allowed to proceed on leave during the academic session except under every exceptional circumstances of genuine emergency. Medical leave will be given only, on the production of medical certificate and request by the parents in person to the principal.

In all cases. Leave availed will be on students own risk, so far, as the required percentage of attendance is concerned and even a medical certificate will not condone a deficiency in attendance and request by the parents in person to principal.

IDENTITY CARD

It is binding upon every student to obtain the institute identity card within twenty days of her admission and keep it with her during the study hours. The institute identity card will be issued to all the students within fifteen days from the date of their admission. In case of loss or damage, a duplicate identity card will be issued on payment of Rs. 100

CO-CURRICULAR ACTIVITIES

An important feature of our education system is the stress laid on extra curricular activities. These activities are an important part of the social and intellectual environment of the college: various activities related to the subjects of institute are planned and carried out throughout the year. English, Urdu, declamations and debates, Qirat and Naat Khuwani competitions are held every year. Talented girls gatherings are arranged on national level.

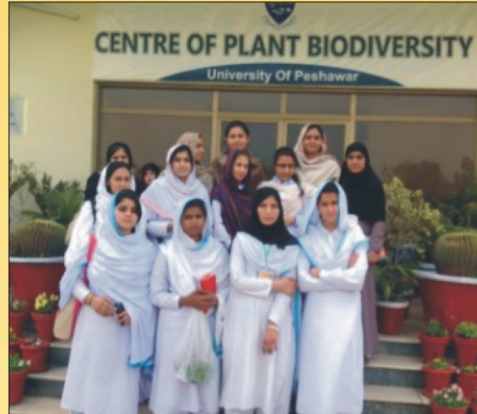

The students work in various committees to help, plan and conduct these functions. Student's educational trips are compulsory for all students. The purpose of these trips is to encourage the students to have interest in the practical aspects of life. The athletics club will cater for a vast variety of conventional sports, like football, basketball, badminton, baseball and also indoor games.
